## **College Scholarship Application**

For many years the Met PGA Junior Tour has strived to assist our membership in their continued success beyond their years with us. In line with that vision, we are very proud to be offering college scholarships for Junior Tour members who have come through our program and who remain members through their final season before starting college. The scholarships will be one time awards varying between \$1,000-\$2,500 in value and will only be offered when entering your Freshmen year of college. Scholarships will be awarded to those juniors who not only demonstrate the greatest passion for golf, but those who will benefit the most from this financial assistance to be selected by the Junior Golf Committee.

### **How to apply:**

1. Fill out the application on the reverse side of this page.
2. Submit a 300-500 word essay about your experience with the Met PGA Junior Tour through the years and where you see golf in your future as a result.
3. **Submit a letter of recommendation.** This can be from a golf professional you work with, employer, high school coach, teacher at your school, or anyone other than a family member who can tell us why you are especially deserving of this award.
