Fairways to Success

Fairways to Success is a vehicle for public junior golfers with a strong desire and passion for the game of golf to gain access to the benefits of playing privileges at a private facility for one season. Our program would pair the most needy public junior members with a private facility within close vicinity to their home that would be willing to host them for the season.

How to apply:

1. Fill out the application on the reverse side of this page.
2. Submit a 300-500 word essay with why you are deserving of this opportunity and how it might change your life.
3. **Submit a letter of recommendation.** This can be from a golf professional you work with, employer, high school coach, teacher at your school, or anyone other than a family member who can tell us why you are especially deserving of this experience.

Please note: You must be at least 14 years of age to apply to be a part of this program. Selections will be made by our Junior Golf Committee.
